

# Appointment of an Authorised Representative

LocalCom  
CONNECT SMARTER

As an account holder, you may want a family member, friend or associate to deal with us on your behalf as your authorised representative. Please complete the form below to add an authorised representative.

When you appoint an authorised representative you give that person the authority to deal with us on your behalf as your agent. You can specify limits on your authorised representative's rights, but unless you do specify limits your authorised representative will have full power to act and access information as if they were you. This includes making complaints, changing account details or terminating a contract. Please be aware that as the account holder you retain full responsibility for the account, and you are responsible for the actions of your authorised representative.

Only account holders can appoint an authorised representative. You can appoint up to 3 authorised representatives. If you wish to appoint more than one authorised representative, please complete 1 authorised representative form for each person you wish to appoint.

The appointment of an authorised representative continues until you revoke the appointment in writing.

For your security we require you to submit the completed authorised representative form to us.

An existing authorised representative of the account can forward this document from an authorised nominated email address. Photo ID is required for submission. This can be in the form of either a current Australian driver's license, or current Australian passport.

If your circumstances mean that this is difficult for you, please contact us on 1300 825 587 and we will work with you to find an alternative way of appointing an authorised representative.
